

High School Project Based Learning (PBL)

Weekly Update # 6

Gathering data to assess your student's strengths and weaknesses is a best practice method while planning for your PBL. Because PBL requires skills that may not have been tapped and/or utilized- such as presenting to an audience, it is essential that the teacher collect the following data: collaboration and teamwork skills, divergent thinking skills and communication and speaking skills. Read more:

[This School Year, Use These 3 Data Points to Ensure Successful PBL](#)

STUDENT VOICE | INNOVATE | MOBILIZE | EMPOWER | CONNECT
